LEGISLATIVE COUNSEL'S DIGEST

AB 946, as introduced, Frommer. Healthy Families: extension of program.

Existing law establishes the Healthy Families Program, administered by the Managed Risk Medical Insurance Board, to arrange for the provision of health care, dental, and vision coverage to eligible children meeting certain household income requirements. Under existing law, the Healthy Families Program becomes inoperative on January 1, 2004.

This bill would extend the operative date of the program to January 1, 2008. By extending the duration of this program, which is continuously appropriated, the bill would create an appropriation.
